Jade is an exciting young female in our herd. She brings some interesting twist genetics to the table. Jade had a lovely steer calf in 2022 by our mini bull V3C Chase's Frost we named JP Frosted Jasper. He liked Jasper so much he came back for her 2023 heifer calf by Frost as well (JP Frosted Beryl). Jade had a steer calf in 2024 by JP USS Texas BB-35 and she has been such a fantastic mother we used her as a recip for her 2025 calf and she
