

## JP JADE

**Date of Birth:** 02/22/2020  
**Registration 1:** C325134  
**Breeder:** LAZY JP RANCH  
**Owner:** LAZY JP RANCH

*Courtesy of Lazy JP Ranch*

Jade is an exciting young female in our herd. She brings some interesting twist genetics to the table. Jade had a lovely steer calf in 2022 by our mini bull V3C Chase's Frost we named JP Frosted Jasper. Look for him with his young showman on the show circuit soon! Jade is bred back the same way for her 2023 calf.
