

JP OLD YELLER

Date of Birth: 05/02/2020

Sale Price: \$750.00

Yeller is our up and coming mini trophy steer. We love his goofy personality and his unique coloring. He has the genetics to have some fabulous horn as a mature steer. He is a half brother to JP Whimsy who is also burning up the show circuit this year. We have plans to break Yeller to pull a cart in the future after his show career.
