

JP USS TEXAS BB-35

Date of Birth: 03/31/2021 Registration 1: BI102010 Sale Price: \$5,000.00 Breeder: Lazy JP Ranch Owner: Lazy JP Ranch

We love the disposition on this bull, and he is passing it on. Battleship, as we call him, is the last calf out of Tri-W Faded Dreams. We lost his mother to hardware when he was just 4 months old, but he hasn't let that slow him down. His first calves are coming yearlings and they are all showing good early horn growth and sound conformation. After we finish using Battleship this year we will be castrating him to use as a saddle steer.
