

JP BACK TO THE FUTURE

Date of Birth: 10/15/2022
Registration 1: BT105568
Breeder: Shady W Ranch
Owner: Lazy JP Ranch

Courtesy of Lazy JP Ranch

"Spot" is the result of an embryo frozen in 1994 from the best genetics of his era and as such he brings an interesting genetic mix from yesteryear to the table. We are interested to watch him grow and develop and we plan to put him on some of the modern bloodlines as an out cross when he gets a little older. In the mean time he is doing great as an ambassador and "confidence booster" for some of our young show friends.
