Meg is another of our embryo calves from the early 90's. She was collected and frozen in 1994 from the hottest horn genetics available at the time. She is 3/4 Butler and is bred for twist. We are excited to see how she develops and to see her calves with out cross modern bulls. Meg was recently named Grand Champion Mini Female at both the TLBT National Finals and TLBAA World Show with her bull calf at side by JP Back To The Future. Meg
