Willow is the only daughter we have retained out of our multi champion cow Tri-W Barb's Triple Crown. We were lucky enough to be able to bring her back to the herd in 2023. In 2024 she had a fancy heifer calf for us, JP Charlotte's Web. This year she is confirmed AI bred to Overhead for a summer calf and we are beyond excited to see what she throws. We will be breeding Willow to RHL Overtime for her 2026 calf.
