

## JP SAVAGE DAUGHTER

Date of Birth: 04/25/2023  
Registration 1: CMI337091

Sage is a half sister to our multi champion mini Whimsy and she has started her own show career with a bang. We think Sage is one of the best mini heifers out there and is certainly the best we have raised. We have bred Sage to CR Pete's Quickdraw for her first calf and we can't wait to see what colors they produce!
