

## JP CHARLOTTE'S WEB

Date of Birth: 07/17/2024 Sale Price: \$3,500.00

Charlotte is the third generation of females going back to one of our foundation Tri-W cows. Her sire is also out of a Tri-W cow making her about as close to old school Tri-W bloodlines as you can get. She is an outcross to all the modern horn bloodlines making for unlimited genetic potential. We plan to Al Charlotte to Tri-W Ladies Man for her first calf.
